

# Practical Handbook of expiratory Function Testing (2<sup>nd</sup> Edition) PART 1

The 2nd edition has been extensively revised and updated and will form the core text for those undertaking the ARTP Pt 1 National Assessment from September 2003 onwards.

Anatomy & Physiology has been expanded, the chapters on static lung volume measurements and CO Transfer Factor now include alternative techniques, and a new chapter on paediatric testing has been included.

Costs:       ARTP Members           - £65.00  
              ARTP Non-Members   - £80.00  
              BSc (Hons) Clin Phys   - £40.00

To order the 2nd Edition, please complete the order slip and return to –

ARTP, Suite 4, Sovereign House, 22 Gate Lane, Boldmere, Sutton Coldfield.
