

Practical Handbook of Respiratory Function Testing

PART TWO

Part Two of the ARTP Practical Handbook of Respiratory Function Testing will provide the core text and underpinning knowledge for those undertaking the ARTP Pt 2 as part of year 3 & 4 of the BSc in Clinical Physiology. It is also an invaluable reference source for all those working in the field of Respiratory Physiology and Measurement.

This book advances and expands some of themes in Part One, such as Physiology of Respiration, Bronchodilator Response and Paediatric Pulmonary Function Testing. There are also dedicated chapters on Blood Gases, Pulse Oximetry, Overnight Oximetry, Field Walk Tests, Bronchial Challenge Testing, Respiratory Muscle Function and Whole Body Plethysmography.

Costs: ARTP Members - £65.00
 ARTP Non-Members - £80.00
 BSc (Hons) Clin Phys - £40.00
